Subject: Re: Scheduling A Visit

Saturday morning would be fine. Let me know what time works best for you. So you know, this visit will be to fill out a well survey form, sign an access form for the sampling and take a look at what will be involved in sampling your well. Currently we are scheduling appointments for March 6. All sampling is done during business hours so you would need to be present. If you have an outside spigot and no filtration in the house, it is possible to sample from that location, we could look at that while we are there. Let me know what time you would like to meet and Gary and I will be there.

Thanks.

Joanna,

Thank for calling me last week regarding setting up a visit to evaluate our water in Dimock. We are planing to be at our home next weekend February 18 & 19th. The best time for us would be Saturday morning, however I am sure we can be flexible if that will not work for you.

Many thanks!
